“Only a few weeks left”

This is the penultimate prayer letter from my year with LCM. It's been busy over the last couple of weeks. We had a team from Boston helping us out at the café and all the activities that go along with that. We had a fun day on the 11<sup>th</sup> June where about 200 – 300 kids came to the local park for different activities including flag making, bouncy castle and beach ball bonanza (50 beach balls getting hit from one side of a tennis court to the other!). The day went really well and we met loads of people from the local community. Also God provided great weather when it was supposed to be raining. Prayer continues to work so please keep praying, thanks!

## Kids Club

Kids club has been chaotic at times but God seems to be providing us with good ideas in how to make it exciting. We get about 8 – 10 kids coming so pray that the behaviour is good and that the kids are learning something of God.

## Youth Club

We are doing event management with the youth; prayer for motivation for the youth

in  
this

project is needed. We hope to have them lead a Friday evening in the park during the summer programme, where there will be food, games and music. Pray that they also become more honest and open with us during times of discussion.

## Art Platform

The art exhibition is happening on the 2<sup>nd</sup> July so not long to go. I've met a few different artists through the preparation of the exhibition which is really encouraging. Pray that the night is well attended and that people get their works of art done in time for them to be exhibited.

## City of Peace

# Grace and Peace, Paul

I'm preaching on Matthew 14 on the 4<sup>th</sup> July so prayer is needed as I prepare for that. The Sunday meeting is being well attended by all sorts of people from the local community which is so good to see. Pray that God will continue to work through City of Peace in reaching the local neighbourhood.

## **Other Prayer Points**

We have another two fun days coming up on the 9<sup>th</sup> and 10<sup>th</sup> of July, pray for the preparation of those days. We also have another team coming over from the USA to help us for the week leading up to those days, pray that God will speak to them through their time with us.

I need personal prayer for the future, the wedding isn't far away, please pray that the planning goes smoothly. Also pray that I will be able to find a suitable job when I return to Scotland.

My continued thanks for your prayers and I hope to see you all soon.
