"Spring is here...I hope"

I'm writing this with the sun streaming in the window and I had to wear my sunglasses while running for the first time this year, spring is here...I hope. Well February officially flew by and now it's the middle of March, time flies when you're having fun! The whole team went on retreat at the end of February to Walmer (near Dover) and this was a time of relaxing and refocusing which was blessed with some good weather and a wee dip in the English channel, chilly! Well here are some prayer points:

Kids Club

The club has been going well; the kids have been regularly attending and behaving. We are going through the Easter story at the moment so pray that they kids will understand who Jesus is. Continue to pray for inspiration and wisdom for us leaders in how to keep the club fun.

Youth Club

Last week we had a total of 19 guys at the youth club so numbers are really good but prayer is needed for us to have opportunities to get along side them and that they feel comfortable to be open with us. I gave Harri a bible last week and he was thrilled so that is exciting to see how God is working in his life. Pray that Harri will continue to grow in his relationship with Jesus. One of the other boys, Macauleigh, said that he has been reading the bible, pray for him that he will have confidence in his identity.

Art Platform

We still have low numbers at the art platform but it's not about quantity but quality and pray that the relationships with those that come continue to grow. We are planning to have a night in June where we can display all the art that has been done over the last few months, pray for preparations and inspiration for that evening. We are hoping that it'll bring in people from the community.

City of Peace

Continue to pray for Tom and that he will be in tune with God for where to take City of Peace. We had a Muslim lady come to a Sunday meeting, pray for her and that she will come to know the truth. Pray that all visitors will feel welcome at City of Peace.

Other Prayer Points

We have been having some people come for interviews for next year's city vision so pray that the right team will be formed and pray for guidance for Phil Moore (head of the gap year scheme) and that he would pick the right people.
