

London City Mission

“God answers prayers”

It's been a busy few weeks since the last letter and they've flown by. It was great to be amongst the atmosphere at Tower Bridge during an outreach at the London Marathon. Along with that I had an afternoon at Brixton Prison with one of the chaplains where I got to hear about the work there and meet some of the prisoners.

Kids Club

We've had a few new kids at the club but also a few of the regulars haven't been there so numbers have stayed about the same. God has been inspiring us with games and activities so it's been fun. Continue to pray that we will clearly put across the gospel to the kids and that they will respond to it.

Youth Club

The art work on the back wall is looking good and some of the guys have really enjoyed painting it. We had a good chat about God over food the other night so that was encouraging. Pray that the discussions we have with the youth will

challenge them and encourage them in their journey with God.

Art Platform

The same people have been coming to the platform and people seem excited about the art exhibition and exhibiting their work. Pray that relationships will grow with those who come to the platform and that they will see God in their creative talents.

City of Peace

The church weekend away was lots of fun, I would say about 50% of the people there weren't Christian so it was a great chance to spend a weekend building relationships and having good chats.

“Pray, and let God worry”

– Martin Luther

I'm preaching again on the 4th July so pray for the preparation of that and that I will be open to God speaking through me.

Other Prayer Points

Pray for the whole City Vision team and guidance for everyone on what the next step is for them. Also pray that we all stay focused on the next couple of months and not to look too much into the future.

Thank you for all your prayers and I hope you can see how God is answering them.

To finish, check out www.cafeforever.org and www.cityofpeace.co.uk if you would like more info. Also if you want to follow my random thoughts check out my blog intheaspofwonder.wordpress.com.

Grace and Peace,
Paul
